

# QUAKERS RUNNING CLUB

## MEMBERSHIP FEE REMINDER / RENEWAL FORM

**Annual Membership Fees for the year 1<sup>st</sup> March 2012 to 28<sup>th</sup> February 2013.**

Virtually all of the club's income comes as a result of its membership fees, this fee in the main pays for the hire of the premises that it uses for its base. If members delay in the payment of their fees it may result in the club experiencing difficulty in meeting this cost, with this in mind, please try to be prompt with your membership renewal.

£5.00 of your membership fee is paid by the club directly to our governing body 'England Athletics' this as you know pays for EA to register you as an athlete, to issue you with an EA registration number and a competition licence. It is and will always be our intention to pay all affiliation / registration fees to EA in early April, failure to renew your membership with the club by this time will result in you having to pay the unattached levy every time you enter a race (EA have now provided race organisers with a searchable database which details the fully paid up members of all EA affiliated clubs)

Fees can be paid on any club night to: **Dave Thompson, Wayne Bramley or Dawn Bramley**, (Please make cheques payable to **Quakers Running Club**) alternatively you can post your fee to:

**Membership Secretary, Bielside, Carlton Village, Carlton, Stockton, TS21 1EA.**
