**Quakers Chair Nomination 2018 – Steve Padgett**

I would like to put my name forward for the position of Club chairman
The reasons are as follows
1, I have worked with Mike Horren when he was club Chairman for one year when I was Secretary, and got a feel for the role that he did.
2, worked along side Graham Park for one year when he took over from Mike, again as Club Secretary.
3,Spent three years as Club Secretary being involved in all aspects of running of the Club, working with and along side of the Club Officers.
4, Member of the Quakers running club since 2005 which has given me an in-site into the progressive Changes at the club over those year's, and being involved in some of them as Secretary and Coach.
I have been a Club Coach for over 10 years, again giving me an in-site into the Coaching side of the Club.
Overall I have gained experience in all current aspects of the running of the Club in my previous rolls.

Personal Statement.
I Always look at things from everybody's point of view, and as Graham said,
I brought a calming influence to the Club meetings and remain calme throughout.

Lastly
Quakers running club has been a big part of my life, and I get Great pleasure being involved and working with others making the Club what it is today, the number one club in the North East.
